

PORTLAND WINTER LIGHT FESTIVAL

FEB 2-10, 2024

2024 GROUP INFO GUIDE

→ What does it mean to volunteer as a group?

Volunteering in a group is one of the most fun ways to participate in the festival and is easy! Gather a group of coworkers, friends, or neighbors and enjoy the festival together while giving back to the community!

We are proud and committed to keeping the festival family-friendly, free to attend, and welcoming to everyone. ***Our volunteer groups keep that vision alive!***

→ We want to keep you together!

Most groups will get assigned as “**General Festival Volunteers**” and “**Donations Team.**” This includes art guardians, crowd counters, set up & break down, fire tenders, performance support, food & bev service, collecting cashless donations and more. **Please be willing to be flexible and we will work with you to find the best assignments for your team!**

→ How do I get started?

The Group Leader should contact us via phone or email, and we will work with you to streamline the process for your group.

We will need:

1. Group Name (can be a Corporation, Non-profit, or your rec league)
2. Group Leader name
3. Estimated # of volunteers that you are pledging

→ **Registration**

We ask that **each member register individually** here [[LINK](#)] and follow these steps to make it easy for us to place you on the right team!

1. **Share Your Preferred Role** - this is just a suggestion for where you'd be most comfortable, you can check multiple boxes!
2. **Choose Your Shift** **establish these selections with your team members!*
 - a. Choose your location
 - b. Choose your date
 - c. Choose **General Festival Volunteer** or **Donations Team**
3. **Indicate your Group Name in the field provided.** This is our signal to match you with your crew.

Waiver forms: Our online registration page has a waiver form that can be filled out with an e-signature. Minor group members use the same online waiver form with a parent's consent and provide emergency contact info.

→ **Getting Student Credit or Corporate Match for Your Work!**

We love to support student groups, associations, and corporate giving. If you have a program that gives credit for your work, we will happily provide confirmation information for you!

**QUESTIONS AND IDEAS WELCOME!
CAN'T WAIT TO GLOW WITH YOU**
